This diagram shows an exploded perspective view of a medical device assembly 10. The assembly includes a main body 12 with a proximal handle 20 and a distal tip 38. A separate component 30 is positioned near the tip. A long, thin, flexible member 39 is shown with a proximal end 16 and a distal end 37. Other components labeled include 22, 24, 26, 28, 32, 34, 36, and 40, which appear to be various segments or connectors of the device.
